

## **Novazone names VP**

East Bay Business Times - October 18, 2005

Ram Prasad is the new vice president of operations at Novazone in Livermore, the company said Tuesday. He is responsible for all function of operations for the company. He had been vice president of new product operations and business process development at Asyst Technologies Inc. (NASDAQ: ASYT), a semiconductor equipment maker in Fremont.

Novazone is a provider of ozone-based solutions for food and water.
