## **Purfresh closes \$25M venture round**

**East Bay Business Times**

**Purfresh Inc.** closed its third round of venture funding after receiving \$5 million from **Perella Weinberg Partners**.

The Livermore company raised a total of \$25 million in the round, in which **Chilton Investment Co.**, **Foundation Capital**, Grauer Capital and **Chrysalix Energy** Venture Capital also gave money.

David Cope is CEO of Purfresh, which used to be named **Novazone Inc.** The company makes water purifiers, sunshields to cover produce and products to protect and purify food.

Perella Weinberg is based in New York and has offices in Austin, Texas, and in London.
